RE: Richardson Flat Monthly Status Report for August 2005

Dear Ms. Churchill:

This monthly Status Report details site activities conducted at Richardson Flat for August 2005.

Sampling Activities Conducted:

None

Results:

No results were received in August 2005.

Other Activity:

17,985 yards of material was moved from the Daly West mine area to Richardson Flat in August.

Planned Activities: September 2005

United Park City Mines Company will be transporting materials to the site from the Empire Canyon site. This will likely occur throughout the summer.

RMC will continue to work on documents and field activities as required to complete all required work at the Site.

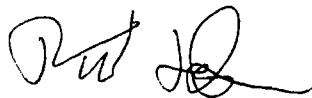

Planned Activities: October 2005

United Park City Mines Company will be transporting materials to the site from the Empire Canyon site. This will likely occur throughout the fall.

RMC will continue to work on documents and field activities as required to complete all required work at the Site.

If you should have any questions or comments, please contact me at 801-255-2626.

Best regards,
